LIVE NEWS OF THE INDUSTRIAL WORLD

IMPROVEMENTS TO BE MADE BY THE LEHIGH VALLEY.

Make-up of the D. L. & W. Board for Today—New Time-Table to Go Into Effect on the O. & W. Railroad That Will Be of Benefit to the Business Interests of the City. Successor to Superintendent Depuy Named.

With the beginning of mild weather, the Lehigh Valley is enlarging its construction forces considerably, and pushing improvement work planned some time ago. A good deal of work is being done in building additional passing sidings which are badly needed, because of the increasing tonnage being moved by the company.

Delays have also affected the company in the receipt of new equipment ordered last year. There have now been delivered, however, more than half the 275 thirty-ton box cars ordered last fall. In addition there have been put in service the last of orders for 1,000 fifty-ton steel and 1,000 forty-ton wooden coal cars.

The Board for Today. Following is the make-up of the Delaware, Lackawanna and Western board for today:

students seems very large and the number of this caught last week show that the fishermen have not been idle. Arthur Hoover and two companions were out for three days and caught ninety large trout. Second Time on Earth

No Boils Nor Carbuncles Now—A Good Blood Medicine.

"I became convinced of the merit of Hood's Sarsaparilla when I took it myself as a blood purifier. So, when my husband had boils and carbuncles I urged him to take Hood's and the result was that when he had used but one bottle the boils had nearly all disappeared. He continued the use of the medicine and after taking two bottles he was completely cured, and, as he expressed it, felt as if he was on earth for the second time. He has never had any boils since. We take Hood's as a spring medicine and gladly recommend it." Mrs. A. E. STAYSA, Yonkers, N. Y.

Scrofula from Birth.

"I have found Hood's to be the greatest blood purifier I ever took, and I have tried many medicines. I was a sufferer with scrofula from birth. My eyes were so badly affected I would be almost blind for a week at a time. My neck began to swell so that I could not breathe freely. Medicines failed to do me any good until I began taking Hood's Sarsaparilla. Today I give excellent health and my eyes give me very little trouble. I owe it all to Hood's, which I recommend to all suffering from any disease of the blood." Miss KERRIE McGINNE, Silver Creek, Ky.

That Tired Feeling.

"I cannot say too much for Hood's Sarsaparilla as a remedy for that tired and worn out feeling one has in the spring. As a strength builder and appetite creator it has no equal." Mrs. L. B. WOODARD, 285 Ballou Street, Woonsocket, R. I.

Hood's is Peculiar to Itself.

The Absent Minded Beggar

Is the man who puts off ordering his Spring Suit 'til the old one is uncomfortable and then rushes off to the tailor expecting to have one made the next day. Don't delay too long. It takes time to do good work.

High School Notes

Although the base ball season commenced some time ago, and we are having some ideal spring weather, the supposed base ball team of the High School has not made its appearance. In fact, it seems that the subject has entirely died out of the minds of the students. It is possible that there is not enough enthusiasm in the school to support such a project. It seems from the way things are progressing that such is the unchangeable fact. This matter of a base ball team is of vital importance to those who wish to have the Scranton High School keep the high mark it has reached in the athletic field. Since the part has been used for practice by the Scranton team, the excuse has been that the players will have no place to practice. This is undoubtedly true, but if the Athletic Association would take the matter on hand, it could no doubt secure some place at which to practice. Every person connected with the school is well aware of the fact that there is some very fine material in the school for forming a team, but this good material is fast taking positions on other local teams, and it will be long before there will be a lack of the real 'stuff' in the school. It is the duty of Mr. Kamm, the manager, and aid him in having the Scranton High School represented in the field.

Of Silks--Most Important.

The Silk Department will likely be very much disturbed by the great business that will follow this great announcement. But we have arranged for it—there will be extra room—seventy-five feet of counter space devoted to this silk sale. Just three groups at these prices will cover all the silks in this offering and a section of counter will be given to each price—one section for silks at 75c.; one section for silks at \$1.00; one section for silks at \$1.25.

Thousands of Yards. Hundreds of Styles. The Regular Prices are from \$1.00 to \$2.00 per yard. The Prices for the Sale are from 75c to \$1.25.

The great quantities and the extremely low prices insure you against disappointment, and the pure white daylight of our skylight makes selections doubly safe and easy. Every variety of fancy dress silks is represented in this remarkable offering. The styles are choice, thoroughly up-to-date, all having been made for this season's sales, most of them having come into our stock since the first of the current month.

The 75c Silks. The first group comprises the silks that are to sell at 75c. In this collection are silks that regularly sell at from \$1.00 to \$1.40 per yard. In the assortment are Fancy Taffeta, Stripe Taffeta, Checked Taffeta, Fancy Brocade Silks, Satin Striped Taffeta, Persian Effects, Silk Poplins, Fancy Foulards, etc.

The \$1.00 Silks. In this lot are rich styles of fancy silks that were from \$1.40 to \$1.75 a yard: Rich Persian Printed Satins, Persian Taffetas, Rich Satin Striped Beau de Soie, Newest Foulards, Evening Fancy Silks, all light shades, Rich Plaid Taffeta with satin bars, Hemstitched and Corded Silks for waists, Rich Figured Taffetas.

The \$1.25 Silks. This is a collection of Fancy Silks in rich style, prices of which were from \$1.75 to \$2.50 a yard! Rich Satin Striped Plaids and Stripes in fine color combinations, Evening Silks, many new styles and effects, Handsome Taffetas in new Persian effects, Beautiful Striped Taffetas in new colors and effects, Beautiful Plisse Silks with drawn work effects, Handsome Waist Silks in stripes and figures, some satin, some taffeta grounds.

There Is Also a Story on Taffeta Silks--Read On. There are 1,000 yards of good Taffeta Silks, 19 inches wide, mostly solid colors and about two ty different shades. It's the quality that usually sells in good houses for 75c a yard. Some stores, we notice, get 79c, and some as high as 85c. By all fair standards the silks are worth 75c, and that is what we would ordinarily get for them, but we were fortunate in finding a manufacturer who wanted money quickly, so we bought at our price. Here they are for 65 cents a yard!

Sale Opens Monday Morning.
